Growing with a small business is always tricky you have to achieve each and every task doesn't matter that it was a skill in your CV or not you are expected to be skilled in each and every task.

But it comes with a perk that you learn so many things out of your syllabus and skills you had learned while in your academics. One that I learned here at my previous company.

K.F.T. Pvt. Ltd.

Quality Engineer

June 2018 - June 2019 (1 year 1 month)

Mohali, Punjab, India

It was a great experience and got various things to learn from.
